

But None Came.

Late the other night on a street car a soldier was going home for the first time. He was happy and proud. And his reason for being proud: there was a wound stripe on his right arm.

One man said to him: "Where were you wounded?" The soldier replied: "I was hit in the back with a piece of shell." The man gave a short laugh and said: "A funny place to get hit; which way were you going?"

It is needless to say that the soldier hit the man and here is what the soldier said: "If there are any more of you fellows thinks that a Yank ever ran, I can change your mind for you."

Don't delay — use Doan's Kidney Pills.

Profit by the experience of Mrs. J. D. Freeland. She says: "Typhoid fever left me with awful weak kidneys some years ago and I suffered severely. My back ached fit to kill and pained so that I could hardly get around to do my housework. I felt perfectly miserable. If I bent over, I could just about get straightened up again. My kidneys acted irregularly and were very annoying and I usually felt tired and restless. It was my good fortune to hear of Doan's Kidney Pills and of the good work they have done. I got a supply at the Evans Pharmacy and used them according to directions. In a short while Doan's cured me of my trouble and I haven't been troubled since."
